## SCORING:

### **Cancellation Scoring**

The approved method of scoring for the sport of cornhole is “cancellation” scoring. In cancellation scoring, the points of one player cancel out the points of their opponent. Using this method, only one player/team can score in each frame.

- Each woody is worth one (1) point
- Each cornhole is worth three (3) points

*Example:*

*Red achieves one (1) woody and two (2) cornholes during the frame (7 total pts)*

*Blue achieves two (2) woodies and zero (0) cornhole during the frame (2 total pts)*

*7 points – 2 points = Red scores 5 points for that frame*

## RECORDING THE SCORE:

No cornhole bags shall be moved before the scoring is determined. If this decision is in doubt, a Certified Official shall be called to determine the scoring for the frame in question.

### **Recording the Score**

Players are encouraged to pay close attention to the score at all times. Players are required to update their score on the score tower at the conclusion of each frame. Players may call upon the Certified Official between frames if any discrepancy occurs regarding the correct score.

### **Calling the Score**

When a third party is being used to manage the score tower, it is the responsibility of the player/ team who scores in each frame to call out the score to the score keeper. It is the responsibility of the players/teams to ensure the score is represented correctly on the score tower at the conclusion of each frame before moving to the next frame.

## OVERVIEW OF DOUBLES PLAY:

- Team A competes against Team B – each team is comprised of two (2) people.
- Each team will stay in their designated lane for the whole game.
- Players at the headboard will alternate pitching bags until each player has pitched all (4) of his/her bags.
- Players at the footboard will take score and resume pitching back to the other cornhole board.

## RANDOMLY SEEDED TOURNAMENTS:

- The team winning the coin-toss chooses their bag color.
- The team winning the coin-toss pitches first.
- **A coin-toss determines which team selects one of the following options:**
  1. *Choose the lane assignments*
  2. *Choose their opponent to pitch against (head-to-head)*

If option #1 is selected, the coin toss winner chooses their lane and takes their positions in the Pitcher's boxes, then the opposing team chooses their own Pitcher's boxes to determine head-to-head match-ups.

If option #2 is selected, the coin toss loser chooses their lane and takes their positions in the Pitcher's boxes, then the coin toss winner will choose their own Pitcher's boxes to determine head-to-head match-ups.

## PITCHING CORNHOLE BAGS:

- Players alternate pitching bags (one player at a time) until each player has pitched all (4) of his/her bags.
- A player must pitch all (4) cornhole bags from their designated cornhole pitchers box.
- Players must deliver the bag with an under-hand release.
- One foot or appendage must be completely within the pitchers box at the time of releasing the bag.
- When pitching a bag, players must release the bag before any part of the player's body touches the ground on or beyond the foul line.

### **Pitching the Next Frame**

- The team who scored in the preceding frame shall pitch first in the next frame. If neither team scores, the team who pitched first in the preceding frame shall retain first pitch in the next frame.

### **Accidental Release**

- Any cornhole bag that leaves a players hand once the final step (if taken) and final forward swing of the delivery process has started, shall count as a pitched bag.
- A cornhole bag that is accidentally dropped by a player before the final step (if taken) and final forward swing has started, shall not be considered a foul bag and may be picked up and pitched.

### **Pitching Out of Turn**

- If a player pitches out of turn at any time during a frame, their pitch will be considered a Foul Bag and swept from the playing surface.

Let's Get Shucked!

- If the out-of-turn bag affects any bags in play, their opponent has the option of returning all cornhole bags to their original position on the playing surface or leaving all bags as they are.
- If the error is not discovered until after two (2) cornhole bags have been pitched, the frame shall continue and be score accordingly.
- If no agreement can be reached, a Certified Official shall be called. The Certified Official shall either determine the scoring or void the inning and order it to be repitched.

### **Touching Bags before Frame is Complete**

- If any bags in scoring positions (woodies or cornholes) are touched by a player, whether intentionally or unintentionally, before all bags during the frame are pitched, the frame is over.
- The offending team (team who touches the bags) forfeits all remaining bags and tallies the score for the bags they have already thrown during the frame.
- The non-offending team tallies 12 points as if they had thrown 4 cornholes during the frame. *NOTE: 12 pts are NOT automatically added the overall score (scoreboard). The 12 pts are only used within this specific frame before cancellation.*

#### **EXAMPLE:**

- Red has thrown 3 bags equaling 5 points to this point in the frame
- Blue has thrown 3 bags equaling 8 points to this point in the frame
- Blue accidentally reaches down and grabs the bags
- The frame is over
- Blue's remaining bag is declared dead and their previous points are tallied
- Red tallies 12 points for the frame, as if they had thrown cornholes
- 12 Red points - 8 Blue points
- Red scores 4 points for that frame

### **Time Limits – Pitching and Scoring**

- **Pitching** – A player must pitch each cornhole bag within fifteen (15) seconds of their opponent's bag coming to rest.  
*\* Exceptions may be made by the Certified Official considering any physical disabilities or difficulties.*
- **Scoring** – The frame will be scored 5 seconds after the last bag is pitched, comes to rest, and all bags on the playing surface have stopped moving. Any bag that moves in position after 5 seconds will be scored based on its previous position.
- If timing cannot be agreed on, the Certified Official will score or negate the frame.

To request a rake, the player must audibly.
- One or both players may walk to the other board and rake the bags from under the board (one player raking and one player watching.)
- A spectator may be called to rake the bags if both players agree.
- A certified official may be called to rake the bags if a discrepancy is in question.
- Anytime 4 cornhole bags have entered the hole or piled bags are visible in the hole a player may request a “rake” and not be charged a time-out.

### Raking Cornhole Bags

- If a foul bag lands on the playing surface or comes to rest touching the ground and the board, it must be removed immediately.
